The Association for Play Therapy (APT) is the parent organization of CalAPT. The Association for Play Therapy observes a dual membership policy. Dual membership requires that persons joining CalAPT join APT, and that persons living in California who join APT also become members of CalAPT.

The purpose of dual membership is to increase collaboration and interaction between APT and its state branches – a partnership CalAPT supports!

Being an APT member provides you with discounted rates for full day trainings, Quarterly Journals, and the Play Therapy Magazine. Membership also allows for discounted rates for the Annual National Play Therapy Conference. To renew your membership please talk with your nearby chapter or visit the APT Website at:

http://www.a4pt.org/memberapp.cfm

We encourage all play therapists and CALAPT members to seek formal credentialing with the Association for Play Therapy.
